Decker's Nursery is a wholesale nursery in the Columbus, OH area. We are national recognized for our propagation, grafting, & liner container production. We also have a full line of finished stock containers and a B&B operation for a regional market.

### **Account Manager:**

We are seeking to add a self-motivated individual into our sales team to service and grow new and existing customers.

### **Description:**

- Maintain contact and correspondence with complete customer base
- Update website & customer emailing
- Inventory gathering and input
- Customer visits as needed to maintain and further relationships
- General office support
- Sales data input and record keeping
- Customer tours
- Assist in creating promotional and marketing material
- Representing our company at trade shows
- Assist in coordinating shipment with customers
- Participate and represent Decker Nursery in Industry Organizations such as CLA, ONLA, and American Hort

### **Requirements:**

- Proficient computer skills in Microsoft Word, Excel, PowerPoint, and Publisher
- Excellent customer skills
- Ability to work in a fast pace environment
- A degree in agricultural related field is a plus but not needed
- Fundamental understanding of basic nursery growing practices

Please submit your resume to: Mike Miller, General Manager
