and discount levels are based on either last season's year to date total purchases, or the current year to date						1660	1660
running total; whichever is greater. This greater year to date total will be used to determine which discount level						1150	1150
will apply. If a customer changes in mid season to a greater discount level, they are not eligible for a rebate on the						0	1899
